

Terms and Definitions

1. Policy Statement

Greenback is a legal, ethical and transparent company, and it takes the responsibility to ensure and maintain that its assets and resources are being used properly, specifically its website.

2. Purpose

The purpose of this policy is to explain the use of cookies in our website

3. Content

COOKIES

We use cookies for a variety of reasons detailed below. Unfortunately, in most cases there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to this site. It is recommended that you leave on all cookies if you are not sure whether you need them or not in case, they are used to provide a service that you use.

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit. Disabling cookies will usually result in also disabling certain functionality and features of this site. Therefore, it is recommended that you do not disable cookies.

We set email newsletters related cookies and forms related cookies. This site offers newsletter or email subscription services and cookies may be used to remember if you are already registered and whether to show certain notifications which might only be valid to subscribed/unsubscribed users. When you submit data through a form, such as the one found on our contact page, cookies may be set to remember your user details for future correspondence.

If you are still looking for more information, please visit [all about Cookies](#) or contact us at info@greenback.earth.

4. Policy Scope (Who is covered by the Policy?)

This policy applies to every entity related to Greenback and its employees, Directors, Officers, Contractors, or any third party working on behalf of the company.

The Policy is for internal use, and the Administration is required to convey it to every concerned person or entity who access our website.

5. Policy Responsible Person (Who is responsible for the Policy?)

Greenback has overall responsibility for ensuring this policy complies with our legal and ethical obligations, and that all those under our control comply with it.

The Chief Digital Officer has primary and day-to-day responsibility for implementing this policy and for monitoring its use and effectiveness and dealing with any queries on its interpretation.

6. Monitoring and Review

The Chief Digital Officer will monitor the effectiveness and review the implementation of this policy, regularly considering its suitability, adequacy, and effectiveness. Any improvements identified will be made as soon as possible.

All employees are invited to comment on this policy and suggest ways in which it might be improved. Comments, suggestions, and queries should be addressed to info@greenback.earth.
